## WELCOMING ALL NEW PLAYERS

### Hot Shots Tennis for beginners from 4 – 10yrs

**Is your child interested in tennis, or would you just like improve their coordination skills?**

**Run in small groups by a Tennis Australia qualified coach, kids are introduced to a sport they can play for life.**

Using modified equipment, kids will be guided through the technical and tactical fundamentals of the game in an environment that will instill a love of the game. All lessons are underpinned by a philosophy of learning through play, and teaches skills for life such as agility, flexibility, balance and speed. Lessons will keep kids constantly involved with lots of cooperative partner activities used to challenge kids to improve their skills.
